

4370 RIVER GARDEN TRAIL

Austin

A magnificent design by Hugh Randolph. It has a comfortable feel with Heart Pine floors throughout. Formals and Master on one side and Family living spaces and Guest room on the other. Large Game Room and True Media Room flank the additional bedrooms. These living areas lead out to the pool, outdoor kitchen and covered decks. Firepit just below pool to enjoy a tranquil evening outdoors on this 1.89 acre estate. Separate yard with playscape. Backs to Greenspace.
